Online Home Learning Guidelines for Pupils

General reminders of keeping safe online (see THS website for more guidance)
I want to stay safe online and I know that anything I do on the computer, phone, tablet or internet may be seen by someone else.

I will:
- only open pages which my parent, carer or teacher has said are okay
- talk to my parent, carer or teacher before using anything on the internet that I'm unsure about
- tell my parent, carer or teacher if anything makes me feel scared or uncomfortable
- make sure all the messages I send and comments I leave are polite and positive
- tell my parent, carer or teacher if I get a nasty message or something makes me feel uncomfortable, and I will not reply
- not give my phone number or address to anyone online.
- not tell people about myself online (I will not tell them my name, anything about where I live or where I go to school, names of clubs I attend)
- not upload photographs of myself onto the computer or internet without my parent or carer's permission
- keep any passwords I have private
- only speak to people I know online and on the phone.
- never agree to share photos, phone, video call or meet a stranger.
- Always make sure my parent/carer knows who I am talking to or messaging.

Google Classrooom – the safe way to use it

- When using Google Classroom, the teacher may let pupils comment, or they may have turned comments off.
- If you are allowed to comment you must remember our BIRDS behaviours – these apply to online behaviour too.
- Remember to be polite and positive and comments should only ever be related to your learning.
- Remember - teachers can see exactly who posts what on Google Classroom.
- If your teacher wants you to create a post, for example taking a picture of your Home Learning Project, they will enable you to create posts for that time.
- If you are posting photos of your learning, please remember to do so safely – remember to always check with your parent/carer before uploading a photo, and try to make sure your photo is of the learning, not you.
- If it is a photo of you, you must be suitably dressed and in a suitable location

UNACCEPTABLE USE
- Examples of unacceptable use include, but are not limited to
- Creating or sending any messages or comments that might upset other people.
- Using another person's username and password e.g. to access a device or website.
- Looking at, or changing work that belongs to other people without their permission.
- Wasting time or resources on school computers.
- Sharing pictures or making video calls without checking with your parent/carer
