### Spring Term 2025 Clubs

Dear Parent/Carer,

Clubs will be starting again week commencing **Monday 20<sup>th</sup> January 2025** and will run until **Friday 28<sup>th</sup> March 2025**.

**There will be no clubs running on the week commencing Monday 10<sup>th</sup> February 2025 due to Parent Consultations.**

Once again, we will be running clubs before school and after school. This way we hope to give the children more choice and a chance to get to do a club they want. We are continuing with the online system for club allocations so please follow the instructions carefully.

Please scan the QR code below to complete the google form to make your club selections. Follow the instructions carefully to select your child's choice of clubs for the Spring term. We cannot guarantee all of your selections but we will always try our best to allocate their most desired choices.

Due to the high level of interest in our clubs, we do ask you to be aware that if your child does not attend their club for two consecutive weeks (for reasons other than due to illness) then we will have to allocate their space to someone else on the waiting list.

You will receive a letter to confirm which club your child has been allocated. **However, if you do not receive a letter of confirmation, please check with the office staff to see whether they are on this term's list.**

Please make a note of the dates above. This letter, along with the blurb for each club, will be available on the 'Extra-curricular Clubs' section of the THS website homepage.

**To enable us to start on Monday 20<sup>th</sup> January 2025, we must have all completed google forms by Friday 10<sup>th</sup> January 2025.**

Please note that clubs will be allocated on a first come, first served basis so complete the form as soon as possible. If you need any support to complete the online form, please ask at the office.

Kind Regards,

Mr Lambert

Miss Harris
