

Festive fun with **A Band in a Van**

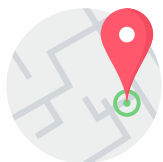

Interactive music session for children and young people

Join the Brass Players of Alina Orchestra as they take to the road in their 'Band in a Van' to reach the heart of the community.

A unique, interactive concert, where the audience doesn't just watch, they take part! Enjoy some popular festive music from films, musicals, and classical music. Then you're invited to shake some percussion, conduct the group or sing along to some popular songs.

Stay around after the event for the opportunity to try a brass instrument for yourself.

Children must be accompanied by an adult. Scan the QR code for more information.
