

Your child's new teacher is:

Miss David

They will be in class

2 Beech

Why your children are important to me:

Because they all have the potential to be something amazing! I will always do my best for them and encourage them to do the same at home and in school to provide them with great opportunities. I want your children to know that I am there for them and that if they have anything they're uncertain about that they can always come and talk to me. If they have a worry, we have our 'worry monster' for the children to 'post' their worries - if I know about them I can help. No worry is too big or too small.

Who am I? Where did I come from? What am I doing here?

I started as an Early Career Teacher at Thomas Hickman School in 2024 and am now in my third year of teaching!

I live in Milton Keynes with my family, and I enjoy reading, running, dancing, and taking my dog, Marni, for walks!

I knew that I wanted to continue to work at Thomas Hickman as I love the BIRD ethos and the welcoming atmosphere - something which will be extended to our classroom! I look forward to creating a positive, friendly atmosphere and inspiring the children to learn.

I will have an 'open door' and will always see you as soon as possible, considering my teaching commitments.

Email office@thomashickman.bucks.sch.uk with any queries.

Check the school website for updates and year group information on: www.thomashickmanschool.com

Why Year 2 is amazing:

Year 2 is an exciting year!

Through our Fields of Study, we will become explorers and historians during our 'Unlimited' topic. They also get the opportunity to take on a role in the Nativity.

We then move onto royalty in our 'Long Live our Noble King' Field of Study, looking at our new king and other monarchs of the past.

In the summer term we move onto 'Crabs, Coasts and Cornettos' which looks at the UK and its human and physical features.

We have a variety of trips planned, as well as in school experiences, including a visit to Windsor castle and Southend aquarium and beach!

I look forward to seeing you soon!

Where CURIOSITY HATCHES, *creativity* takes *Flight* and *learning* SOARS TO A SKY OF *opportunity*.

I look forward to seeing you soon!
