Miss Rebecca

They will be in class

Twocans

Who am I? Where did I come from? What am I doing here?

I grew up in Aylesbury and have been working at Thomas Hickman for 3 years. I have always loved working with children and completed college and my apprenticeship with the view to working in a school.

I am an active member of the committee for the Aylesbury 'Relay for Life' and coordinate fundraising events across the year.

In my free time, I love to read fiction novels and spending time with my family.

I will have an 'open door' and will always see you as soon as possible, considering my teaching commitments.

Why your children are important to me:

...because they are important to you! I am passionate about giving your children amazing opportunities to reach their new milestones.

Why Twocans is amazing:

Twocans is amazing because we get to explore so many lovely different topics!

In Autumn, we'll be exploring people who help us and are important to us within our 'Unlimited' FOS. We'll also be learning about important people through the nativity performance.

In Spring, we'll be looking at the past including Kings and Queens in our 'Long Live the King' FOS with a focus on art skills.

In the Summer, we'll be learning about all things to do with the beach & sea.

We will have a variety of trips planned, as well as in school experiences, including the Roald Dahl Museum, Kings and Queens day and a trip to Southend.

There will be many opportunities for your child to hatch their curiosity and enable their learning to take flight!

I look forward to seeing you soon!
