

Your child's new teacher is:

**Mrs Liane Cameron**

They will be in  
Muddy Ducks Nursery

Who am I? Where did I come from? What am I doing here?

I have been working in Early Years for 25 years. During this time, I have managed two nurseries, worked as a Teaching Assistant in Year 1 and Year 2, and supported Reception children as a Learning Support Teacher. Much of my career has been spent teaching abroad, and I am delighted to say that for the past eleven years I have been teaching Nursery here at Thomas Hickman School – a role I absolutely love.

My family and I moved to several countries over the years due to my husband's work commitments, including Germany, Cyprus and Kuwait, before finally deciding to settle in Aylesbury.

My Early Years journey began in 2001 when I was asked to help at a nursery, and I instantly knew it was the right path for me. It is wonderful to see how much progress the children make throughout the year, and I am always incredibly proud of my class.

### Why your children are special

Nursery is the beginning of your child's education and their journey with THS. It is a wonderful opportunity for us to help shape how your child views learning and school.

Our aim is for children to develop a genuine love of learning, to look forward to seeing their friends and teachers, and to enjoy being at THS just as much as we do.

### Why Nursery is so amazing:

At Muddy Ducks Nursery, we are proud to have a team of talented, experienced and friendly Early Years Practitioners. Each day is filled with stories, songs, art, crafts and plenty more opportunities for exploration and play.

We carefully organise our indoor and outdoor classrooms to promote independence and support learning through play. Once children are settled, confident and happy in their environment, we begin to introduce more structured play and learning experiences – always with an emphasis on fun and enjoyment.

I will have an 'open door' and will always see you as soon as possible, considering my teaching commitments.
