

Your child's new teacher is:

Miss Liv

They will be in class

Preschool

Who am I? Where did I come from? What am I doing here?

Hello! I am so excited to be your child's Preschool teacher this year! My journey started right here at THS, where I began as a college placement student just two days a week in preschool and fell completely in love with working with little ones.

Over the past 6 years I have worked my way up from a placement student to Preschool Lead, this is my second year in the role and I love it! Along the way I also worked as a teaching assistant in Reception, which means I have lots of experience supporting children across early years.

I am always looking for new, creative, and playful ways to help your little ones learn, grow, and thrive. Every child is unique and special, and I can't wait to celebrate that with them every single day!

I will have an 'open door' and will always see you as soon as possible, considering my teaching commitments.

Email office@thomashickman.bucks.sch.uk with any queries.

Why your children are important to me:

Every single child who walks through our door holds a very special place in my heart.

My greatest goal is to help your little one grow, flourish, and reach every milestone, cheering them on every step of the way. Together, we become our own little family, full of love, laughter, and learning. I truly want each child to fall in love with coming to preschool, to wake up excited, bounce through the door with a big smile, and leave each day having discovered something wonderful...

Why Preschool is amazing:

Our classroom is packed with exciting Field of Studies with all the wonderful resources your child needs to discover, play and grow every single day.

We have an amazing team who are always here cheering your little ones on and dedicated to helping every child reach their goals and feel special.

We have a great indoor and outdoor area that is set up each day with activities chosen specially to bring our topics to life!

Every corner of our environment is carefully thought about to spark curiosity, creativity and confidence in your growing little learner.

I look forward to seeing you soon!
