

Your child's new teacher is:

Mrs Drakard

They will be in class

6 Walnut

Who am I? Where did I come from? What am I doing here?

I have worked in schools for the last 20 years. I absolutely love being a teacher. I have been at THS for nearly eight years and about to start my 7th year in Year 6! As soon as I came to the school, I knew it was a special and fun place to learn. I love reading and engage with many Authors through Educational posts to create excitement about the books we are reading in class. Reading opens all kinds of doors!

I have two children, my daughter is a professional dancer after completing University and my son works in a Global company as an Account Manager. I do not live locally but enjoying working in Aylesbury within our community.

My hope is to inspire the children to be the best they can be; to guide them to fulfil their potential.

I will have an 'open door' and will always see you as soon as possible, considering my teaching commitments.

Email office@thomashickman.bucks.sch.uk with any queries.

Why your children are important to me:

... because they are so precious to you!
I want the absolute best for them, and every day gives us new and exciting opportunities, to find out about ourselves and the amazing world around us.

We are all THS BIRDS and during Year 6, I will be making sure they are ready to take flight and soar.

I am familiar with a few of the children already, but they all know me and know how much I care about them and their worries. If they have a worry, we have our 'worry monster' for the children to 'post' their worries - if I know about them I can help.

Why Year 6 is amazing:

Year 6 is an exciting year with a variety of Field of Study areas that include British History and understanding immigration to dissecting hearts in science or imagining life as a WWI evacuee, when we find out about Britain at War. We 'explore' the Frozen Kingdoms of the world, finding out about the Titanic sinking and have a visit from animals to enhance our learning. Our Stand up Stand Out FOS takes us to London after learning about the Laws of England - we visit the Houses of Parliament! It really is a jam-packed year of fun and learning.

We have a variety of trips as well as in school experiences, with the highlight for many being the Year 6 Residential! An opportunity for the children to push themselves to face their fears whilst enjoying time away with friends.

The Year 6 Production - the children can get their acting skills polished up ready for the performance of a lifetime! Shine onstage or behind the scenes, every one of our THS BIRDS has a special part to play.

I look forward to seeing you soon!
