

**Your child's
new teacher
is:
Mrs
Springett**

**They will be
in class
Year 1
Pine**

Why your children are important to me:

Your children are the most important things to you, so they are incredibly important to me too! When I am at work, your children are the most precious people in the world to me.

Children are incredible, they learn something new every single day, and I am honoured to be a part of that journey.

We are all THS BIRDS and during Year 1, we will be making sure they are ready to take flight and soar.

Who am I? Where did I come from? What am I doing here?

I have been working in schools since 2013 and have already finished my first year at THS last year.

I have two children of my own and have loved seeing them grow and develop into who they are today. As with all children, my boys are very different from each other, so I know how important it is to use the things that children enjoy to support them in their learning.

I love to read, listen to music and play games of all kinds. I enjoy

I will have an 'open door' and will always see you as soon as possible, considering my teaching commitments.

Why Year 1 is amazing:

Year 1 is a magnificent year! The children will transition from Reception to Year 1, ensuring the structure of the day and learning opportunities are similar to those in Reception. The children have a vibrant outdoor learning area to explore and help secure lots of excellent learning opportunities.

We will begin our new Field of Study 'Out of this World' - all about space and the 'Great Space Race'! We are going to have 'Wonder Dome' come to THS with their portable planetarium so the children can experience what space is really like. They will have playtime in the Key Stage 1 playground with

I look forward to seeing you soon!
