**Who am I? Where did I
come from? What am I
doing here?**

**I have worked in schools
for the last 20 years. I
absolutely love being a
teacher. I have been at
THS for nearly eight
years and about to start
my 7th year in Year 6! As
soon as I came to the
school, I knew it was a
special and fun place to
learn. I love reading and
engage with many
Authors through
Educational posts to
create excitement
about the books we are
reading in class.**

**Reading opens all kinds
of doors!**

**Why your children are
important to me:**

**... because they are so
precious to you!
I want the absolute
best for them, and
every day gives us new
and exciting
opportunities, to find
out about ourselves
and the amazing world
around us.
We are all THS BIRDS
and during Year 6, I will
be making sure they
are ready to take
flight and soar.
I am familiar with a
few of the children
already, but they all
know me and know how
much I care about them
and their worries. If
they have a worry, we
have our 'worry
basket' and the**

**Why Year 6 is
amazing:**

**Year 6 is an exciting year
with a variety of Field of
Study areas that include
British History and
understanding
immigration to dissecting
hearts in science or
imagining life as a WWII
evacuee, when we find out
about Britain at War. We
'explore' the Frozen
Kingdoms of the world,
finding out about the
Titanic sinking and have a
visit from animals to
enhance our learning. Our
Stand up Stand out FOS
takes us to London after
learning about the Laws of
England – we visit the
Houses of Parliament! It
really is a jam-packed year
of fun and learning.**

**We have a variety of trips
as well as in school
experiences, with the
highlight for many being**

I look forward to seeing you soon!
