

Your child's new teacher is:

Mrs Drakard

They will be in class

6 Walnut

Why your children are important to me:

... because they are so precious to you!
I want the absolute best for them, and every day gives us new and exciting opportunities, to find out about ourselves and the amazing world around us.

We are all THS BIRDS and during Year 6, I will be making sure they are ready to take flight and soar.

I am familiar with a few of the children already, but they all know me and know how much I care about them and their worries. If they have a worry, we have our 'worry monster' for the children to 'post' their worries – if I know about them I can help.

Who am I? Where did I come from? What am I doing here?

I have worked in schools for the last 20 years. I absolutely love being a teacher.

I have two children, my daughter is a dancer after completing University and my son is completing an Apprenticeship within a global company. I do not live locally but enjoying working in Aylesbury within our community.

I have been at THS for six years and as soon as I came to the school, I knew it was a special and fun place to learn. I love reading and engage with many Authors through Educational posts to create excitement about the books we are reading in class. Reading opens all kinds of doors!

My hope is to inspire the children to be the best they can be; to guide them to fulfil their potential.

Why Year 6 is amazing:

Year 6 is an exciting year with a variety of Field of Study areas that include British History and understanding immigration to dissecting hearts in science or imagining life as a WWII evacuee, when we find out about Britain at War. We 'explore' the Frozen Kingdoms of the world, finding out about the Titanic sinking and have a visit from animals to enhance our learning. Our Stand up Stand Out FOS takes us to London after learning about the Laws of England – we visit the Houses of Parliament! It really is a jam-packed year of fun and learning.

We have a variety of trips as well as in school experiences, with the highlight for many being the Year 6 Residential! An opportunity for the children to push themselves to face their fears whilst enjoying time away with friends.

The Year 6 Production – the children can get their acting skills polished up ready for the performance of a lifetime! Shine onstage or behind the scenes, every one of our THS BIRDS has a special part to play.

I always have an 'open door' and will always see you as soon as possible, being mindful of my teaching commitments.

Call the office to make an appointment if there is something urgent, or direct an email to me:

office@thomashickman.bucks.sch.uk with any queries.

Keep checking the school website too for Bulletin updates and year group information on:
