

Your child's new teacher is:

Mrs Liane Cameron

They will be in
Muddy Ducks Nursery

Why your children are special:

Nursery is the beginning of your child's education and journey with THS. This is such an important opportunity for us to shape how your child views learning and school.

We want your children to absolutely love learning, to look forward to seeing their friends and teachers and to enjoy being at THS as much as we do.

Who am I?

I have been working in Early Years for 24 years. In the past, I have managed two Nurseries, been a Teaching Assistant for Year 1 and 2 and a Learning Support Teacher for Reception children. Most of my career I have been teaching abroad. I am delighted to say that the last 10 years I have been teaching Nursery here at Thomas Hickman School and I absolutely love being here.

My family and I have moved to different places around the world due to my husband's work commitments (Germany, Cyprus, Kuwait) for many years before we decided to settle in Aylesbury.

In 2001 I was being asked to help out at a nursery and I instantly loved it. It is lovely to see how much progress the children make throughout the year and I am always so proud of my class.

We are so fortunate

In Muddy Ducks Nursery we have talented, experienced and friendly Early Years Practitioners.

There are stories, songs, art and crafts and much more. We organise our indoor and outdoor classrooms to support independence and develop learning through play. Once the children are settled and happy in our environment we start to introduce more structured play and learning activities. *The emphasis being on fun!*

Keep checking the school website too for Bulletin updates and year group information on:
www.thomashickmanschool.com

We have an 'open door' policy and will always see you as soon as teaching commitments allow.

I look forward to seeing you in September
