

Your child's new teacher is:

Mr Pearce

They will be in class

3 Willow

next year

Why your children are important to me:

Every single child is special. They have unique skills, talents and personalities. They have individual interests and hobbies.

Every child is worthy of being nurtured in an environment that makes them feel as important as they are.

In my classroom, I aim to make every child feel seen and cared for - because that is exactly how we feel about our THS BIRDS. Our BIRDS have the ability to change the world and we intend to give them the tools to do just that.

Who am I? Where did I come from? What am I doing here?

This is my 10th year as a teacher! However, I have also worked at: drama camps; sports camps; and even in a nursery.

I was born and raised in Watford – but I have also lived in Brighton and Harrow. My wife and I decided to settle down in Aylesbury 5 years ago and we have been incredibly lucky to welcome 2 beautiful children into the world in that time, Martha and Harry.

This is my third year at THS and I can't wait to keep seeing all of our magnificent birds soar. I am inspired daily by their inquisitive nature - it keeps me on my toes as well!

I absolutely love sports (especially football, rugby, golf and cricket) and play regularly on the weekends and in the evenings.

I can't wait to work with my new flock!

Why Year 3 is amazing:

Year 3 is an exciting year with a variety of Field of Study areas that include: carving Stone Age arrowheads, creating cave paintings, making and erupting volcanoes, finding out about the ancient and tragic city of Pompeii and becoming Roman warriors! It really is a year packed with fun and learning – and I am very excited to be in Year 3 again!

We have a variety of trips planned, as well as in school experiences, including a visit to the Chiltern Open Air Museum, the Natural History Museum in London and a real Roman Verulamium. There will be an in-school 3D workshop in which the children will be able to watch a volcano erupt! There will be opportunities for your child to hatch their curiosity and enable their learning to take flight!

I hope you are all as excited as I am!

I always have an 'open door' and will always see you as soon as possible, being mindful of my teaching commitments.

Call the office to make an appointment if there is something urgent, or direct an email to me:

office@thomashickman.bucks.sch.uk with any queries.

Keep checking the school website too for Bulletin updates and year group information on:
