

Your child's new teacher is:

Miss Laugie

They will be in year

4

next year

Why your children are important to me:

... because they are so precious to you!
I want the absolute best for them, and every day will provide new and exciting learning opportunities.

We are all THS BIRDS and during Year 4, I will be making sure they soar to their sky of opportunity.

I am there for the children, whatever their worry may be, they also have access to a hand on heart area where they can have time to collect their thoughts before letting me know how they are feeling. if I know about it, then I can help.

Who am I? Where did I come from? What am I doing here?

I am looking forward to meeting my new class for September 2025! I absolutely love my job and cannot see myself doing anything else!

I have lived in Aylesbury all my life and I even went to THS as a child. I moved away briefly for 4 years to pursue my passion for music and teaching a few years ago. I live locally and my hobbies are cross stitching and going for bike rides.

THS is a truly special place to teach and to learn. I love reading and music, I design my lessons to inspire and engage your child.

My aim is to enable all children to 'love to learn'!

Why Year 4 is amazing?:

Year 4 is an exciting year with a variety of Field of Study areas that include the Anglo Saxon invasion, map reading, learning about the early middle ages and the first invasion of Britain from the time frame of AD 410! It really is a jam-packed year of fun and learning.

We have a variety of trips as well as in school experiences, including an amazing workshop experience and a trip to The Pitt Rivers Museum where children can walk alongside a part of the River Thames and an immersive Wind In The Willows experience!

There will be opportunities for your child to hatch their curiosity and enable their learning to take flight!

I will have an 'open door' and will always see you as soon as possible to discuss any issues that may arise.

Alternatively, email the school and we will contact you as soon as we possibly can.

Your child's new teacher is:

Mrs Barlow

They will be in year

4

next year

Why your children are important to me:

... because they are so precious to you!
 Your children are important to me because they are little humans who I want to help grow into happy, thoughtful and independent people as they move through life.

I remember what it's like being in primary school. Some children love it, some - not so much. I love striving to make sure each child has something positive from their day to take home even if it's something as little as "Mrs Barlow remembered my favourite colour".

In year 4, at THS we aim to ensure all our BIRDS can soar to their sky of opportunity.

Who am I? Where did I come from? What am I doing here?

I have been a teacher for 12 years and have taught at several schools across London, Buckinghamshire, Hertfordshire and Bedfordshire. I was born and raised in London but moved to Aylesbury after having my first two children.

I have ALWAYS worked with children so teaching seemed like the best idea, where I'd be able to continue doing what I loved whilst helping people at the same time. I landed at THS when I realised how closely their values and ethos aligned with my own. I'm looking forward to seeing all of the progress your children will make over the next year.

I will have an 'open door' and will always see you as soon as possible to discuss any issues that may arise.

Alternatively, email the school and we will contact you as soon as we possibly can.
