This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2026.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2024/2025)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Received recognition for commitment to Physical Education, Physical Activity & School Sport through School Games 'Platinum' Award.	School recognized as one of the leading establishments for engagement in PE and School Sport across Bucks.	
29 Extra-curricular clubs on offer each term (16 of which linked to PE & School Sport) to give children a wide range on offer to expand their horizons.	75% of children at THS engaged with at least one extra-curricular club across the year.	Aim for 80% 2025/26 by offering targeted lunchtime opportunities.
Event Participation (Insignis Trust Partnership) – 28 events attended through partnership (most by a school in the partnership). 18 extra events through active link with Aylesbury Vale Academy to further enhance extra-curricular opportunities for our BIRDS.	Our BIRDS see a pathway to attending both competitive & non-competitive events in KS2. All children in KS2 attended an event through these sporting links.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	69%	<i>Children swim with school in Year 2 and Year 5 but many do not experience swimming at other points in their primary school years due to financial constraints and other circumstances.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	53%	<i>Children swim with school in Year 2 and Year 5 but many do not experience swimming at other points in their primary school years due to financial constraints and other circumstances.</i> <i>Some do not reach the point in swimming lessons where they can perform more complicated strokes due to low starting point.</i>

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>100%</p>	<p><i>Children given lesson on self-rescue training and referred to in each subsequent lesson.</i></p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes</p>	<p>Swimming in Year 2 and Year 5 to ensure the school provides 'top-up' swimming.</p>
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes</p>	<p>School staff supporting swimming are all trained to support the instructors from both in the pool and on poolside. THS always provides one trained member of staff in the pool.</p>
