

Dear Parent/Carer,

Thursday 18th September 2025

Date of experience:	Thursday 2nd October 2025
This experience will take place at school.	
Rationale	As part of our Science topic about animals we wanted to give the children a hands-on, interactive experience to bring their learning to life. The children will be challenged to think about the range of different animals and why there might be so many, with thought provoking questions, fascinating videos and breath-taking demonstrations.
Activities that may be taking place	Amazing Animals By imagining themselves as the desert-dwelling horned viper, the silent-but-deadly nocturnal predator the owl or one of a multitude of magnificent mini-beasts, they will consider just what each of these animals needs to survive in its own habitat. They will discover the surprising skills of some of these creatures, including a startlingly stealthy octopus, and compare their own senses with each other, with you and with more familiar animals.
Voluntary contribution of	<i>Unfortunately, if we do not receive sufficient contributions then we may need to cancel the visit. If you are unable to make this payment, please come in and speak to Pippa or the Deputies to discuss how we can support you.</i>
How to pay and when	Payment of £3 is to be made using the school money account by Tuesday 30th September 2025
Clothing – what does your child need to wear?	Normal school uniform and school shoes.
The reply slip should be returned to the class teacher by Friday 29th September 2025	

Megan David and Anna Rymczuk

(class teachers)

Name of child _____ Class _____

I give permission for my child to attend the above experience.
